

Project SHINE

Students Helping In the Naturalization of Elders

For Spring 2011, the Service Learning Program Office is closed. The office will re-open in the fall. For the spring semester, the program will be self-directed. Students may access this website to download the application and the timesheet from the Table of Contents. Students may also use the List of Community Partners to find suitable sites for their projects. Contact Site Supervisors for more information on each site.
