San José City College offers both an Associate in Arts (AA) and Associate in Science (AS) in Art degree. Students planning to follow a transfer pattern should use the Associate in Arts degree. This degree may not transfer to all universities, and students need to inquire of the universities if they have a bachelor's degree for their upper division course work. The Associate in Science has 2 possible areas of emphasis: Drawing and Painting or Photography. A minimum of 3 courses in the Art major must be taken at San José City College. A grade of "C" or better is required in each course in the major and area of emphasis for graduation.
