Drop-In Advisement Reasons

Assessment Result Review
To understand your assessment results and to get help with English/ESL and Math class selection.

Course Repeat
To repeat a class you have received a W, D, F, or NP, you must get a Course Repeat Form from a counselor and register for the class with Admissions & Records. You will only need to obtain a course repeat form if you are repeating the course for the second time. Note: Due to new policies, students may only repeat a course two times (3rd attempt).

Excess Unit
To register for more than 18 units during the Fall or Spring semester, or more than 7 units during the summer session, you must meet with a counselor to obtain approval for an Excess Unit Form and register for the class with Admissions & Records.

Prerequisite Clearance
If you would like to sign up for a class that have prerequisite(s) that you have already met at another college or in other ways, you need to see a counselor to clear you to register for that desired class. You must provide documentation (ie. transcript) to the counselor, showing that you have met the prerequisite(s).
