

## **2019-2020 Financial Aid & Scholarships**

The purpose of Financial Aid is to help you meet your educational expenses (tuition and fees, books, supplies, room and board, etc.). To determine your eligibility, SJCC uses your Expected Family Contribution (computed by completing the FAFSA), your educational expenses (your cost of attendance), and your enrollment status.

There are two types of financial aid: gift aid and self-help aid. Gift aid includes grants, scholarships, and fee waivers. Generally, gift aid does not have to be repaid. Self-help aid includes loans and work-study. Self-help aid must be earned or repaid.

### **Cost of Attendance**

Cost of Attendance (COA) is expenses an average full-time student incurs during a 9-month period (academic year).

	Living w/Parent (In State)	Living w/Parent (Non-Resident)	Living Off Campus (In State)	Living Off Campus (Non-Resident)

Non-resident (out of state) tuition (\$265/unit) and capital outlay fee (\$12/unit) is included in the "Non-Resident" COAs. NOTE: All fees are subject to change.

- The cost of attendance may be prorated based on less than full-time status or for an enrollment period of less than 9 months.
- COA may be adjusted by the Financial Aid Office to reflect other educationally related expenses or reduced to reflect individual circumstances.

### **Enrollment Status**

The following are the enrollment statuses used to determine your financial aid eligibility:

### Expected Family Contribution (EFC)

The EFC represents your family’s ability to assist with your educational expenses for a 9-month period (an academic year). ## 2019-2020 Financial Aid Information

### **Financial Aid Disbursements and Disbursement Dates**

Financial aid disbursement occurs when SJCC credits your student account with financial aid funds. The disbursement date is the day on which the school credits your account. The REFUND DATE is when funds are sent to you.

Financial Aid funds (refunds) are sent based on your selected disbursement preference with BankMobile. [Log on to the BankMobile site for more information.](#) If you are unable to log-on, please contact SJCC Financial Aid Office. [Click here for disbursement and refund dates and more information.](#)

### **Refund and BankMobile**

A refund will be created if your financial aid disbursement is greater than your tuition and fees. The refund takes roughly 7 days to process. SJCC uses BankMobile to deliver financial aid refunds. After submitting your FAFSA and requested documents to the Financial Aid Office, you will be sent a refund selection kit. (The kit will be mailed to address on file with Admissions & Records (A&R). Be sure to keep your address current with A&R.

Once you receive the refund selection kit, log-in to select your refund preference. You have the option of having your funds deposited into your existing checking/savings account (ACH) or opening an account with BankMobile. If you currently have a checking/savings account, we strongly encourage you to select the ACH option. [Visit the BankMobile site for more information.](#)

### **Withdrawing and Financial Aid**

If you drop a class(s) and are still enrolled prior to the census date, your financial aid will be adjusted to reflect your enrollment status for the semester. In most cases, adjustments will be made to your second disbursement.

If you drop all your classes, you may not be required to return part or all of your financial aid refund.

Withdraw prior to 1 <sup>st</sup> day of class:	Not eligible – Must return all aid disbursed
Withdraw prior to 11/6/19 (FA19) & 3/31/20 (SP20):	Partial – Must return a portion of aid disbursed
Withdraw on/after 11/6/19 (FA19) & 3/31/20 (SP20):	Full – no aid needs to be returned

If you owe a balance, you must repay the amount due. Failure to repay may result in the loss of your financial aid eligibility. If you borrowed a student loan, you must complete Exit Loan Counseling (<https://studentloans.gov/myDirectLoan/index.action>).

If you have earned more aid than the amount disbursed, you will receive a post-withdrawal disbursement. Be sure to keep your address current with A&R and have selected a refund preference on the BankMobile site (see above).

Withdrawing from some classes may affect your financial aid eligibility for subsequent terms (See Satisfactory Academic Progress). If you have any questions, check with the Financial Aid Office.

## 2019-2020 Financial Aid Information

### Satisfactory Academic Progress

The Satisfactory Academic Progress (SAP) Policy at SJCC complies with the Federal requirement of monitoring financial aid recipients' progress toward eligible academic programs. SAP will be evaluated at the end of each term (Summer, Fall, and Spring). This evaluation based on the enrollment status as of the end of the add/drop period of the term, reflecting students' permanent academic record. The evaluation takes into account the complete academic record at the San Jose Evergreen Community College District as well as any applicable units transferred from other institutions.

### **SAP Guidelines**

In order to maintain SAP for financial aid purposes, students must:

1. Maintain at least a 2.0 cumulative grade point average (GPA) after attempting 30 or more units. Per Federal regulation, any classes with grades replaced by academic renewal must still be considered in the GPA evaluation.
2. Complete 67% of the units attempted overall.
  - a. Classes with grades of A, B, C, D, CR, and P are considered completed units.
  - b. Classes with grades of F, NC, NP, W, I, and RD are considered units attempted, not completed.
  - c. Students with "I" or "RD" grades must notify the Financial Aid Office when records are updated.
3. Complete their program before attempting 150% of the units required (maximum time frame).
  - a. Students required to complete remedial level courses to meet their educational goals are allowed up to 30 units or two full-time semesters in addition to their program length.
  - b. Students who require English as a Second Language (ESL) course work will have additional units in their maximum time frame.
  - c. Course repeats are limited to the number of times specified in the College Catalog. Students may receive financial aid for a repeated course only once, regardless of the grade earned on the first attempt. Repeated courses are counted as part of the total number of attempted units.

Failure to meet the above requirements will result in a student being placed on denied status and must appeal to reinstate their financial aid.

### **Evaluation Policy**

1. All San Jose Evergreen Community College District and transferred course work applicable to a student's degree is included in the SAP evaluation
2. Evaluation period shall start the first semester of enrollment and include classes from all terms regardless of financial aid eligibility status
3. Aid applicants must declare an eligible academic program with A&R that:
  - a. Leads to an Associate Degree (AA or AS), or
  - b. Is at least a 2-year program, acceptable for transfer to a 4-year institution, or
  - c. Is an approved certificate program that is at least 15 weeks long and requires a minimum of 16 semester units or 600 clock-hours
4. All financial aid applicants must have a current SAP evaluation on file:
  - a. Academic progress standards must be evaluated as of the most recent term of enrollment, for returning students, and the most recent evaluation, for continuing students
  - b. Transfer students must submit transcripts from all prior colleges attended to A&R

### **Appeal for Financial Aid Reinstatement Process**

In accordance with federal regulations, financial aid recipients may appeal for financial aid reinstatement if they have been denied as a direct result of documented extenuating circumstances during the term(s) that SAP is not met.

# San Jose City College

## 2019-2020 Financial Aid Information

Appeals for reinstatement of financial aid are reviewed by an individual from the Financial Aid staff, or a group of individuals from the Financial Aid staff and others with relevant information. Upon review the appeal will either be approved or denied based on academic history, educational plan, and completion of the [appeal form](#) with applicable documentation.

### Appeal Instructions:

1. Attend a mandatory SAP workshop, in-person, or online. [Click here for workshop information](#).
2. Submit the completed appeal form with a current Educational Plan\* by the stated deadline.
3. Provide written documentation and/or proof of extenuating circumstances. Examples of these types of documents include:
  - A signed, dated doctor statement specifying medical issues and affected dates
  - For circumstances such as car accidents, death in the family, required court appearances, etc., appropriate documentation must be submitted with the appeal.
4. Examples of what is **NOT** considered extenuating circumstances include but are not limited to:
  - Working too many hours
  - Not ready for college work
  - Transportation problems

\*A current (dated no earlier than the previous semester) *Educational Plan is required*. The Educational Plan does not necessarily need to be a full-comprehensive plan. It must plan for enough units to reach satisfactory academic progress, assuming all classes are completed and passed.

### Appeal Instructions for maximum time frame (if additional time is needed):

Submit the completed appeal form with a current version of at least one of the following: Educational Plan\* or Transfer Admission Agreement (TAA) or Petition for Graduation

### Appeal Response:

Students will be notified if the appeal is approved or denied. Most approvals will be for one semester only and during that semester the student will be considered on Probation Status. Students on Probation status will be expected to have an Educational Plan on file with their appeal and follow that plan. Any deviation from the plan may result in subsequent denial of financial aid.

### Warning Status:

Students who do not meet SAP for the first time may be placed on Warning for one semester/term. During the Warning term, students will receive aid. At the end of that term, the student will be expected to have re-established SAP. If not, the student may be denied and will need to appeal or re-establish SAP without receiving aid.

### Re-establishing Aid Eligibility

Students whose GPA and/or completion rate are below the requirements can reestablish their financial aid eligibility by increasing their overall completion rate to at least 67% and achieving a cumulative GPA of 2.0 or higher. Students who exceeded the Maximum Time Frame must submit an appeal.

### Grades and SAP: Academic amnesty/renewal

Some schools have academic amnesty/renewal procedures through which a student can apply to have credits attempted and grades earned in previous semesters excluded from the calculation of the

student's GPA. The Federal Student Aid program regulations make no provision for the concept of academic amnesty or academic renewal. Therefore, a school must always include courses applicable to a student's major (whenever taken) in evaluating a student's satisfactory academic progress.
