Points of Emphasis

- Personalized instruction on individual skill development.
- Stress individual and team offensive and defensive concepts.
- Ballhandling, passing and shooting sessions.
- Rebounding and footwork development drills.
- Position-specific drills for post and perimeter players.
- 3-on-3, 1-on-1 & 5-on-5 competitions.

Register for any camp before May 20 and deduct \$10.

San José City College Boys Basketball Camp proudly enters its 24th year as one of the premier youth basketball camps in the Bay Area. Our goal is to give each camper as much time and attention on the court as they can handle, while at the same time helping each individual develop skills and knowledge to become a worthy team member, family member and worthwhile citizen.

We emphasize the importance of **building a solid foundation of fundamental skills** from which basketball excellence can be further developed. The outstanding Men's Basketball staff at SJCC excels in teaching campers the fundamentals of basketball in a positive and enthusiastic environment. Each day the staff utilizes a progression of drills, games and fun competitions designed to provide maximum opportunity for individual skill development and to generally increase campers' basketball knowledge and confidence. Learn more about San José City College and our variety of programs at www.sjcc.edu.
