

Library Cards

- The SJCC Student Identification card functions as a library card.
- It is required to check-out library materials and to take advantage of other library services.
- The Student ID card is to be used only by the student to whom it was issued; it can not be loaned or borrowed for use by others.
- The student must obtain a plastic student identification card at the Information Desk in the Student Center. The temporary, paper identification card is not valid for use in the library
- Students are responsible for the return of all library materials borrowed with their cards.
- In the event that a Student Identification card is lost or stolen, it is the student's responsibility to contact the library to report it lost. Until then, the student is responsible for fines and lost or damaged items that were checked out with his/her card.
