Global Studies Program SLOs

Upon completion of degree and certificate course work in the Global Studies program at San Jose City College, students will be able to:

- Describe globalization and its relationship to national, regional, and cultural diversity.
- Compare and contrast various geographic regions of the world.
- Analyze the impact of cultural context on world views.
- Describe global systems and their interdependence.
- Utilize a variety of research strategies to gather information about global issues and international organizations.
- Analyze the roles and responsibilities of the institutions and individuals as global citizens.
