IV. Public Comments

1. Dean Jaime Alonzo from the Finance committee distributed a working draft form/template of budget specifications. This will achieve a more narrow idea of program/department budget needs as it requires detail justifications and priorities. It includes 5 priority levels; (1) needs to keep the doors open, (2) maintenance for current service levels, (3) needs to directly increase student success, (4) indirect student success needs like conferences and (5) innovations. \$1.3 barely covers the stage one needs.
2. Leslie Rice appreciated working with everyone. Her proxy for next year is Dong Mei Cao of ESL who will join the Senate on email today. Leslie will return September 2016.
