III. Approval of Minutes – Approved as amended without objection

IV. Public Comments

1. Roy Stutzman introduced himself. The district has contracted with Roy to evaluate the current budget allocation model which describes how the resources get from the district to the college. He wants input from college leadership and management. He asked for feedback via a questionnaire at the district’s website: go to Administrative services and then to Allocation Model (Evaluation). His contract runs through August and could be extended. His goal for the allocation model is to provide the district with his findings and recommendations for improvements. He asked for questions via email.

2. Distance Education Handbook - Jesus/Heidi
   **Motion: To accept the DE handbook – Approved by vote**
   Bill abstained; all others voted for the motion
   Discussion: The handbook is a living document for faculty. Dorothy is still tweaking it.

3. Distance Education Plan - Jesus/Heidi
   **Motion: To accept the DE plan – Unanimously approved**
   Discussion: The plan highlights what’s been done on campus and the (future) plans.

4. Meeting schedule for Fall 2016
   **Motion: To approve the fall schedule – Unanimously approved**

5. SLO Handbook (Revised)

VII. Information items

1. Leadership/Accreditation retreat to be held on Thursday, August 18th & 19th – Jesus will forward the chancellor’s email explaining the retreat details.
2. Program Review Committee’s Budget Template – Judith said the committee voted to adopt the Finance committee’s template. The PR committee will be working on migrating program review to CurricUNET in the fall. It may be possible not to have all sections of program review due every year.
3. Peer-Led Team Learning Conference (June 2-4) - Madeline said this planning began last June. The Peer-Led Team Learning 5th Annual Conference will be held here this June 2-4. She asked the senators to encourage student participation.
4. Committee membership “renewal” discussion/action on need for faculty to “renew” their membership on committees - Jesus/Mike
   **Motion: To require all committee members to resubmit their intention to remain on any committees they sit on – Unanimously approved**
   Amendment: On an annual basis to require all committee members to resubmit their intent to remain on any committees they sit on - **Unanimously approved**
   There was a suggestion to have an index by faculty name of the committees on which they sit.
   **Motion: To require committee chairs to keep attendance records and to extend the rules of the senate as to absences to committees**
   Amended: and to notify the senate if any faculty member reaches their limit of unexcused absences so that they may be replaced. Faculty members on sabbatical or other leave of absence will be removed but may be renew during the yearly resubmission process.
   **Motion as amended restated:**
   To require all campus committees to follow the senate rules on attendance for faculty members and for committee chairs to notify the senate if any faculty member has reached their limit of
unexcused absences. The faculty member could be removed to make room for a replacement and faculty members on sabbatical or other leave of absence will be removed but may renew during the yearly resubmission process. – Unanimously approved

5. Professional Development Plan – Celia asked for feedback of the plan (as presented previously) and requested senate approval.

Motion: To approve the plan – Approved by vote
Heidi abstained; all others voted for the motion
Celia asked for input for the revised/condensed 2012 SLO handbook version two. It will be revised once more.

Motion: To approve (the SLO handbook) – Unanimously approved

6. IT/RFP - Chris Frazier talked with Ben Seaberry who asked the district IT committee to sit as a request for proposals (RFP) committee (taskforce) to approve a district-wide IT plan. The college’s IT plan sunsets this year and the district’s IT plan sunsets in 2017. This taskforce is for this one bid that closes on May 24th. One RFP was 25 pages long and includes insurance to write the bid. This process could cost in excess of $100k. This process needs a functioning campus technology committee (CTC). Mike suggested extending the SJCC Master Technology Plan 2010-2015 by one year.

7. Endorsement of a Classified Senate - Julinda LeDee said the classified senate has been reinstated. It will be presented to the district on May 24th. She’s recruited positive “ninja” interim officers, Corrine Salazar as the vice-president, Deanna Herrera as the secretary and herself as the president. Official officers will be elected this September. They have a constitution (living document) and the by-laws will be created by the permanent officers. The classified senate will promote professional development and shared governance with separate rolls from the union.

Motion to endorse the creation/development of the classified senate – Approved w/o objection

VIII. Committee Reports (1 minute each)

1. Senator Report – Rachel said they have a form for academic renewal and they’ve met with VPSA/VPAA and they’re working with A&R. This may need to be a district policy because it involves fixing the transcript (SJCC/EVC). About 50% of the 400 students who are in danger of losing the bog fee-wavier in the fall could benefit from academic renewal.

2. Linda said the IPCC approved a record 32 course revisions.

IX. Adjournment - The chair adjourned the meeting at 4:20pm.
