VII. Information items (Possible Action)

1. Board Policies needing review: BP4250, BP4225, BP7250, AP4225, AP4230, AP4235, AP4240 – Fabio said the board policies and administrative procedures were distributed last week. The matriculation committee consisting of SJCC/EVC faculty/staff/MSC and Lisa Owens (DO), is reviewing/comparing student impact practices to policies and the procedures before sending them on to the Trustee Board. Email input to Fabio and Alex. The final language will return on December 5th for approval.

2. ASCCC Fall Plenary summary report of conference by senate attendees – Jose became aware of SJCC senate’s work at the state level for our students. Nic found that he could amend/adjust resolutions even as a new senator. Dennis received good CTE contacts statewide. Mike enjoyed talking with colleagues statewide and making connections. Phil worked on the apprenticeship resolutions. He was pleased to see the establishment of the LatinX caucus. Alex appreciated President Breland’s support.

3. Update on Senate Resolution – Jesus shared the resolution with the Trustee Board. The Board did not approve the recommended company. Vice Chancellor Doug Smith wasn’t sure of the next steps. The district has 3 years to spend the bond money. Phil clarified that the senate wanted to pause to be included in the process of the outreach and recruitment. VC Smith didn’t see the need for this vendor search to be participatory, but thought of it as a more traditional search.
4. Process to Verify Eligibility to Teach Online – Audrey Blumeneau discussed the proposed changes to the form draft. The DE committee wants approval for the form and database.

**Motion: To amend the form with the provision that, “faculty members would have the opportunity to appeal the decision to the Senate” – Approved by vote**

Mike voted against; all others voted to add this amendment.

The senate discussed who should have the overall responsibility to verify the eligibility (the DE Coordinator, the DE Dean, other deans, or the senate), the need for faculty to have access to their data on the database, and keeping a line for the Senate President on the form. Audrey said as the DE Coordinator she only has 6 ½ hours weekly with little time to oversee this process. Dean Hines said faculty would have access to their own data.

**Motion: To postpone to the next meeting – withdrawn**

**Motion: To add on the last paragraph, “individual faculty will have access to their own record” – Unanimously approved**

5. Program Review discussion of the development of a hybrid Annual form – Judith Bell said the Library and Student Accessibility Services requested this form for programs with a few academic classes which need to be assessed. She reviewed the form and will return on Dec. 5th.

6. CurricUNET Update – Judith asked whether the senate was ready to move to CurricUNET for program review. The senate discussed the existing problems with SLO assessment input and reports on CurricUNET, giving faculty choice (TracDat or CurricUNET) for SLO, the need to make the process easier for faculty, waiting to work out the IT issues with CurricUNET before moving on, and the possibility of a pilot program next year. Jesus will bring these issues to the next District Council meeting.

7. ESL Certificate of Competency, Noncredit for Career and College – Heather said the application for the certificate was emailed to the senate. The certificate would be an award for ESL completion and will make the noncredit courses eligible for increased funding per course ($5070 per FTE same as credit courses). She reviewed the SLOs, certificate requirements, and compared other college certificates. Karen added that these non-transcript certificates would be written in the department not counseling.

**Motion: To approve – Approved w/o objection**

8. Proposed Spring 2018 AS Meeting Calendar – The senate reviewed the spring senate meeting dates: February 6 & 20, March 6 & 20, April 3 & 17, May 1 & 15. The executive committee will meet: January 23, February 13 & 27, March 13 & another day to be announced, April 10 & 24 and May 8.

**Motion: To approve – Approved w/o objection**

9. Accreditation Update – Mike said 2 of the 10 recommendations of compliance were changed to recommendations to improve which gives more time to address them. They’re working with Joyce, a writer, and a strike team to review. The final follow-up report is due March 15th. The first draft will come to the senate on December 5th. The visiting team arrives in April. It’s not known yet who the ACCJC case manager will be.

**VIII. Committee Reports** (1 minute each)
