**Motion: To send Bill’s letter to the faculty – Approved w/o objection**

It was suggested to include the free textbook website in the letter. Linda/Bob added that the library homepage has a link to OER for text that has been approved by UC/CSUs. It could be recommended to be included in course syllabi. Linda will take this to the IPCC and return with their recommendation.

**VIII. Committee Reports (1 minute each)**

1. Jesus said SJCC received commendations from the accreditation team for the senate’s work with the administration. The team was impressed with the program viability with IPCC, the faculty hiring process/criteria, integrating ESL, and distance education improvements. They suggested improvements with matching SLOs to curriculum, assessment, and disaggregation of learning outcome data.

2. Fabio, the District Senate President, reported that the District Senate had its first meeting and elected officers. The VP is Eric Narveson, the secretary is Michael Berke. EVC still needs one more senator. They talked about overseeing and being more thorough with equivalencies for both campuses. They’re looking at a method to work with IPCC at both campuses. The district senate is changing the dynamics of power within the district.

3. Guillermo acknowledged the leadership of Fabio and Jesus for the commendation of the accreditation team.

4. Bob said the library has restored hours. It’s open Monday – Thursday until 9pm, and 11-3 on Saturday. He wants to get the word out to students to maintain the new hours.

5. Chris said the Finance committee is working to align program review to relate to the resource allocation process.

6. Linda encouraged faculty who have courses up for revision to submit them to CurricUNET by mid-November. There are 170 courses to be revised this academic year. IPCC IS trying to avoid the last minute deluge.

**IX. The chair adjourned the meeting at 3:50pm.**
