B. SJCC New Course Proposals

   1. LIB 010: Digital Literacy—1 Unit
      Description: Students will explore concepts of digital literacy including information literacy, Web literacy, media literacy, and ethical digital engagement. Students will examine and discuss effective research questions, types of information sources, citation practices, search strategies, algorithmic bias, Web evaluation, fact-checking strategies, manipulated imagery, digital polarization, and data privacy.

C. SJCC New Program Proposals

   1. Spanish Associate in Arts for Transfer—60 Units
      Description: The Associate in Arts in Spanish for Transfer (AA-T) degree meets the lower division course requirements necessary for the California State University (CSU) system. The Spanish program includes courses focused on the knowledge and competence needed to communicate in Spanish at an intermediate to advanced level. In pursuing the Associate in Arts in Spanish for Transfer degree, students acquire skills through active participation in classroom activities, and exposure to the language and culture of Spanish-speaking communities around the world. Students majoring in Spanish develop critical thinking, problem solving, and written and verbal communication skills. As Spanish majors, students have learning opportunities that are relevant to many types of careers including language instruction, translation and interpretation, international relations, and global business.
