    Proposed changes/revisions: Methods of evaluation and textbooks revised.

16. **THEAT 033: Technical Theatre in Production—1-2 Units**
    Proposed changes/revisions: Methods of evaluation and textbooks revised.

B. **SJCC New Course Proposals**

1. **ADS 098: ADS Directed Study—0.50-9 Units**
   Description: Individual or small groups of students, with previous coursework in the discipline, who would benefit from Independent Study under the direction of faculty members in specific or related disciplines may develop individualized learning contracts designed to enhance their individual instructional programs. The students and the faculty member will develop appropriate learning outcomes and activities. The number of units to be earned will be determined by the faculty and Division Dean. Instructions and the Learning Contract forms are available in the Division office. Repeatable to a maximum of 9 units across all disciplines.
2. **CIS 108: Technest 3: Internet of Things — 3 Units**
Description: As the third course in the Technest Coding Academy, students are exposed to the emerging platform called the Internet of Things (IoT). Topics include: exploration of the convergence of multiple disciplines leading to modern smartphones; exploring the emerging IoT platform, enabling unprecedented, innovative products and services; learn how information from physical devices in the real world gets communicated to smartphone processors; interfacing common sensors and actuators to hardware; developing software to acquire sensory data, process the data and actuate stepper motors, LEDs, etc. for use in mobile-enabled products.

3. **ENGL 120: College Composition Skills and Support — 2 Units**
Description: Students will develop writing and critical thinking skills to enhance success in ENGL 001A. This is a supplemental support course for ENGL 001A. Students will practice a variety of writing and revision techniques and build research literacy. Topics may include essay organization, writing for an audience, using college level diction and tone, and self-reflective strategies for revision. This course must be taken concurrently with ENGL 001A.

4. **KINPE 017: Beginning Pickleball — 1 Unit**
Description: Students will develop introductory pickle ball skills and learn the rules and basic tactics of the game. Students will practice and play in matches. Pickleball is a simple paddle game played using a tennis type net on a badminton-sized court.

C. **SJCC Program Revision Proposals**

1. **Construction Technology-Certificate of Achievement: Level 3 — 36 Units**
Proposed changes/revisions: Course units updated.

2. **Construction Technology-Residential Maintenance-Certificate of Achievement: Level 2 — 18 Units**
Proposed changes/revisions: Course units updated.

3. **Construction Technology-Residential Carpentry-Certificate of Achievement: Level 1 — 9 Units**
Proposed changes/revisions: Course units updated.

4. **Construction Technology: Associate in Science — 61 Units**
Proposed changes/revisions: Course units updated.
