

San José City College
Associate in Science Degree
2020-2021

MEDICAL ASSISTING: ADMINISTRATIVE

San José City College offers an Associate in Science and Certificate in Medical Assisting: Administrative. The Medical Assisting: Administrative program prepares the student for employment as an administrative (front office) medical assistant in a physician's office or clinic. This program is designed to prepare the student to schedule appointments, perform medical reception duties, handle financial matters (including medical collection), manage medical records, and insurance billing. The externship in the front office of a physician's office will provide the student with the administrative experience necessary to enter the workforce.

Prior to, or after finishing the major classes, the student may complete the General Education requirements for the A.S. Degree. An advanced course in the major must be taken at San Jose City College. A grade of "C" or better is required in each major course.

Upon completion of program, student will be able to:

- Execute administrative medical front office skills including billing and coding procedures, health insurance form processing, patient and patient record/chart management, and public relations.
- Apply knowledge of the human body, medical terminology and disease to front office administrative protocols and procedures.
- Exercise compliance with regard to HIPAA privacy practices, and be able to explain these guidelines to both patients and other health professionals.
- Adhere to, and support, OSHA and other regulatory agency safety guidelines overseeing the practice of medicine and implement such safety protocols.
- Prepare for Certified Medical Assistant/CMA exam and/or the Registered Medical Assistant (RMA) exam.
- Effectively communicate with patients and other health care personnel while exercising the highest level of professional conduct.
- Integrate practical experience during an externship within a medical office setting.
- Service the community by filling a need for certified, well-trained front office medical assistants.

CAREERS OPTIONS:

- Medical Office
- Medical Clinic
- Hospitals
