Reading Comprehension
The ACCUPLACER® Reading Comprehension test measures your ability to understand what you read, to identify main ideas and to make inferences. The test also measures your ability to distinguish between direct statements and suggestions.

Sentence Skills
The ACCUPLACER® Sentence Skills test measures your understanding of sentence structure and what makes a sentence complete and clear. Some questions deal with the logic of the sentence while others with the relationship between two sentences.

College Level Math
The ACCUPLACER® College-Level Math test measures your ability to solve problems that involve college-level mathematics concepts.

Elementary Algebra
The ACCUPLACER® Elementary Algebra test measures your ability to perform basic algebraic operations and to solve elementary algebraic concepts.

Arithmetic
The ACCUPLACER® Arithmetic test measures your ability to perform basic arithmetic operations with whole numbers, fractions, decimals and percents. The test also measures your ability to solve problems that involve fundamental arithmetic concepts.

“Learn as You Go” tests provide you with explanation of the correct or incorrect responses.
