

## Food Culture and Religion

The following list of books will help you research the relationship of food to various religions. You can find additional books by searching keywords in the library catalog such as *food or diet* combined with other words or phrases such as *religion, social aspects, customs, culture, habits, or folklore* (examples: *food religion* or *diet social aspects*). To focus on a specific religion search the name of the religion (e.g. *Islam, Mormonism, etc.*) You might also try combining the name of the religion with the same words or phrases suggested for a general search (examples: *Islam diet* or *Hinduism customs etc.*). You will find books on religions in the BL - BX call number area, books on customs in the GT 2850-2853 area, and books on food in the TX 300-700's.
