Classified Senate – Code of Ethics

The purpose of the Code of Ethics is to promote the highest level of public confidence and integrity in the best interest of San Jose City College Classified Staff. As a Senate member, I have an obligation to fulfill my duties to the best of my ability while supporting quality educational programs and student services.

The Classified Senate shall:

- Demonstrate transparency of the decision making process by having open and effective communication.
- Encourage freedom of expression, participation and collaboration.
- Uphold the majority vote of the Senate by making decisions upon all available facts unswayed by biases of any kind.
- Respect, value and support the diversity of San Jose City College community.
- Have ethical standards that include, but are not limited to expenditure of financial resources, commitment to our students and accountability to the public.

We shall promote San Jose City College's mission of student achievement, successful learning and social justice by upholding the ethical codes set forth by the Classified Senate.
