- I. Agenda
 - a. Approved
- II. Professional Development Day (PDD)
 - a. It was a good PDD but it was hard to hear the speaker on Mental Health
 - b. Many of the breakout sessions were good
- III. Vines
 - a. Are finished there are 30 in total. Jennifer is trying to help them be put on the website.
 - b. The Chancellor and our President were included in the vine videos
 - c. Would like to have a few more students and faculty participate
- IV. Male Summit
 - a. Male Summit is coming along will be held on April 4th.
 - b. Takeo and Blake working on panel of multi-generational males. The theme will be wisdom and courage
 - c. Open to all males, current college students and High School seniors. High School seniors that participate in the male summit will be given priority for Summer Bridge.
- V. SJECCD Board Strategic Initiatives for Student Success Handout
 - a. Board adopted some initiatives that go hand in hand with our initiative
 - i. Handout will be emailed to everyone
- VI. Student Success Indicators
 - a. President wants to look at on a weekly basis. The committee would like a list of what the indicators are.
- VII. Student Success & Support Program (SSSP) & Student Equity Reports
 - i. Student Equity report is more detailed and is due in November. Before it is submitted it has to go thru all constituency groups. It includes goal completion and consistency for different populations.

- ii. SSSP was previously called the matriculation report. It will look at educational plans, orientation and assessment.

VIII. Other

- a. CTE has an open house. There should be one campus wide open house that highlights all our programs. Kindercaminata was a different type of open house but we should look at targeting older populations.
- b. Veterans also had an open house for the new Veterans center
